REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Applicant's remarks of December 5, 2005 state that the plant was neither publicly available nor sold anywhere in the world more than one year prior to the filing date of the instant application. As such, the PBR documents of record are not enabled publications and are not 102(b) prior art. Accordingly, the application is allowable as no other outstanding issues remain.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
